The Committee of the Privy Council have had before them a report dated 6th January, 1967, from the Minister of Veterans Affairs, representing:

That section 23 of the Veterans' Land Act authorizes the Director with the approval of the Governor in Council to sell any property that cannot or ought not to be sold to a veteran as to price or terms on such terms as the Governor in Council may approve;

That qualified veteran George Archibald Ross Kells was settled with effect the 1st of July, 1947, on a 2.75 acre small holding property located at North Regina, Saskatchewan, with a total cost to the Director of $3,850;

That George Archibald Ross Kells on fulfilling the initial ten-year term under his contract repaid the indebtedness in full and accepted a transfer of title to the property with his contract being terminated as of January 30, 1958;

That in November, 1966, George Archibald Ross Kells requalified to participate in the benefits of the Veterans' Land Act and requested that the Director of the Veterans' Land Act provide an amount of $14,000 to purchase a property located near Napanee, Ontario, described as Part of the East Half of Lot 24, Concession 6, Township of North Fredericksburgh, County of Lennox and Addington, Province of Ontario;

That based on the opinion of the Department of Justice that a veteran could have more than one contract with the Director provided the aggregate did not exceed $6,000 under Part I purchase of the aforesaid property was approved on November 8, 1966, and a legal agent, appointed by the Department of Justice, was instructed to obtain and register in the name of The Director, The Veterans' Land Act, a good and marketable title to the property;

That on the 5th of December, 1966, veteran George Archibald Ross Kells passed away and his Will named his wife, Catherine Kells, as his sole beneficiary;

...2

That Catherine Kells requests that the Director sell the property to her on the same terms and conditions that her late husband would have enjoyed had he lived long enough to enter into a contract;

That had veteran George Archibald Ross Kells entered into a contract prior to his death Catherine Kells could have assumed that contract pursuant to section 31 of the Veterans' Land Act;

That Catherine Kells has satisfied The Director, The Veterans' Land Act, that she is financially capable of undertaking the financial obligations under such a contract;

That inasmuch as the Director was committed, during the lifetime of veteran George Archibald Ross Kells, to purchase of the said property and had the veteran during his lifetime signed an agreement, his widow could have assumed that contract and the benefits of that agreement, it is deemed advisable to sell the property to Catherine Kells on comparable terms; and

That the cost to the Director of the property will be $14,000.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to section 23 of the Veterans' Land Act, advise that Your Excellency may be pleased hereby to approve the sale to Catherine Kells of a property containing approximately 13,050 square feet in area described as Part of the East Half of Lot 24, Concession 6, Township of North Fredericksburgh, County of Lennox and Addington, Province of Ontario, on the following payment basis:

Cash Deposit:	Part I, $215. Part III, $1,975.
Balance Payable:	$11,308.33 over a repayment period not to exceed 30 years.

....3

Rate of Interest:	3½% per annum against $1,433.33, 5% per annum against $9,875.

The Committee of the Privy Council have had before them a report from the Minister of Indian Affairs and Northern Development representing:

That under the Federal-Territorial Financial Agreement dated March 15, 1963, between the Government of the Yukon Territory and the Government of Canada and approved by Order in Council P.C. 1963-24/237, dated February 14, 1963, the Government of Canada agreed to make grants to the Government of the Yukon Territory during the five fiscal years ending on April 1, 1967;

That included in the grant under the said Agreement for the fiscal year 1966-67 was an allocation for the administration of justice which, under the Agreement, was recognized as the financial responsibility of the Government of the Yukon Territory;

That the Royal Canadian Mounted Police were to be reimbursed out of the said allocation for police services rendered to the Yukon Territory pursuant to an agreement dated June 24, 1965, between the Commissioner of the Yukon Territory and the Minister of Justice;

That the Minister of Justice has made, during the fiscal year 1966-67, payments for the cost of the administration of justice for the Yukon Territory in anticipation that these costs would be recovered from the Government of the Yukon Territory out of the said allocation;

That the Commissioner in Council of the Yukon Territory has failed to vote the necessary sums required to discharge the obligations of the Yukon Territory incurred under the said Royal Canadian Mounted Police Agreement of June 24, 1965, and by the Minister of Justice; and

That, in the opinion of the Minister of Justice, the Government of Canada has a legal right of set-off as between the Government of Canada and the Government of the Yukon Territory against the said grant authorized to be made to the Yukon Territory under the said Federal-Territorial Financial Agreement of March 15, 1963, without resort to express statutory authority.

.....2

The Committee, therefore, on the recommendation of the Minister of Indian Affairs and Northern Development, advise that Your Excellency may be pleased to approve the deduction from the grant payable to the Government of the Yukon Territory for the fiscal year 1966-67, pursuant to the Federal-Territorial Financial Agreement dated March 15, 1963, the amounts owing by the Government of the Yukon Territory for the fiscal year 1966-67 under the Royal Canadian Mounted Police Agreement between the Government of Canada and the Government of the Yukon Territory dated June 24, 1965, and other costs for the administration of justice for the Yukon Territory incurred by the Department of Justice during the fiscal year 1966-67, and the transfer of the amounts so deducted to the Royal Canadian Mounted Police and the Department of Justice.

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 19th January, 1967.

The Committee of the Privy Council have had before them a report dated 11th January, 1967, from the Minister of Veterans Affairs, representing:

That section 23 of the Veterans' Land Act authorizes the Director with the approval of the Governor in Council to sell any property that cannot or ought not to be sold to a veteran as to price or terms on such terms as the Governor in Council may approve;

That qualified veteran William Hugh Hartigan by application for financial assistance dated the 17th of September, 1966, requested that The Director, The Veterans' Land Act, advance financial assistance in respect of encumbrances against a property containing 7,500 square feet in area located at Truro, Nova Scotia, title to which the veteran undertook to convey to the Director for the nominal consideration of $1.00;

That the property was appraised on October 25, 1966, and was considered suitable for the veteran who was considered to be disabled in excess of 50% attributable to gastric dysfunction, a condition he had suffered for many years and followed by a heart attack in February, 1966;

That the establishment on the aforesaid property would have required the approval of the Governor in Council insasmuch as the area was less than the minimum one-half acre prescribed by section 24 of the Veterans' Land Regulations;

That on the 10th of November, 1966, veteran Hartigan passed away naming in his will his wife, Marie Hartigan, as his sole beneficiary;

....2

That Marie Hartigan requests that the Director sell the property to her on the same terms and conditions as her husband would have enjoyed had he lived long enough to execute an agreement with the Director;

That had William Hugh Hartigan entered into a contract with the Director prior to his death Marie Hartigan, his widow, could have assumed that contract pursuant to section 31 of the Veterans' Land Act;

That Marie Hartigan has satisfied The Director, The Veterans' Land Act, that she is financially capable of undertaking the financial obligations under such a contract;

That inasmuch as the Director accepted an application for financial assistance from veteran Hartigan during his lifetime and appraised the property which he had submitted and otherwise considered it suitable for his establishment and had he signed a contract during his lifetime, the widow could have assumed that contract, it is deemed, advisable to sell the property to Marie Hartigan on comparable terms; and

That the cost to the Director of the property will be $8,306.66.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to section 23 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve sale to Marie Hartigan of a property containing approximately 7,500 square feet in area located at Truro, Province of Nova Scotia, on the following payment basis:

Cash Deposit:	$600
Balance Payable:	$6,306.66
Rate of Interest:	3½% per annum against $4,000. 5% per annum against $2,306.66.
Grant:	$1,400 conditional upon compliance with an agreement containing terms of sale consistent with those under Parts I and III of the Veterans' Land Act.

The Committee of the Privy Council have had before them a report dated 11th January, 1967, from the Minister of Veterans Affairs, representing:

That subsection (1) of section 10 of the Veterans' Land Act provides that the Director may contract with a veteran for sale to him of land and improvements thereon and building materials to the total cost to the Director of $6,000, and the selling price to the veteran shall be 76 2/3% of the cost to the Director, payable 10% cash down and the balance with interest at 3½% per annum over a repayment period not in excess of 30 years;

That with effect the 1st of October, 1946, qualified veteran Norman Edward Giddy was settled as a small holder on a .48 acre property located at Bowness, Alberta;

That due to business reasons the veteran found it necessary to give up his small holding and signed a Quit Claim Deed to facilitate its sale to another qualified veteran;

That the contract was terminated as of the 30th of November, 1948;

That subsection (9) of section 11 of the Veterans' Land Act provides that where a contract made between the Director and the veteran was terminated prior to the 10th day of December, 1949, if the veteran repays all monies received as surplus refund on sale of the property plus the amount of other benefits received as determined pursuant to the War Service Grants Act including re-establishment credit and is otherwise qualified to participate in the benefits of the Veterans' Land Act, the Director may contract with that veteran for sale of land and improvements thereon and building materials at such sale price and terms as the Governor in Council may approve;

....2

That subsection (1) of section 65 of the Veterans' Land Act provides that the Director may upon payment to him advance by way of a loan an amount not exceeding $10,000 for the purposes specified in paragraphs (a) to (c) of subsection (2) of section 64 of the Act;

That subsection (1) of section 24 of the Veterans Land Regulations provides that the Director may not approve financial assistance on behalf of a veteran qualified as a small holder on an area of land containing less than one-half of an acre in area but at the discretion of the Director such area may be reduced by one-half of one per cent and paragraph (a) of subsection (2) of the said section 24 permits an exception to be made in respect of a veteran in receipt of a disability pension of 50% or greater;

That veteran Norman Edward Giddy having complied with the provisions of subsection (9) of section 11 of the Veterans' Land Act has applied for establishment on a property located in the City of Penticton, Province of British Columbia, which he is purchasing privately, title to which he undertakes to convey to the Director for the nominal consideration of $1.00 and requests that financial assistance in the amount of $16,000 be advanced to discharge encumbrances related thereto;

That the property contains .23 of an acre in area and is described as Lot 3, District Lot 2710, S.D.Y.D., Map 9817, City of Penticton, Province of British Columbia;

That veteran Norman Edward Giddy is considered to be disabled to the extent of 50% by virtue of arteriosclerotic heart disease but he is not in receipt of a pension as a result thereof;

....3

That if the veteran's disability was attributable to his War service and as a result thereof he was in receipt of a pension of 50% or greater he could be settled on the said reduced area pursuant to paragraph (a) of subsection (2) of section 24 of the Veterans Land Regulations; and

That the cost to the Director of the property will be $16,000.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to subsection (9) of section 11 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve the sale to Norman Edward Giddy of a .23 acre property described as Lot 3, of District Lot 2710, S.D.Y.D., Map 9817, City of Penticton, Province of British Columbia, notwithstanding that it contains less than the minimum prescribed one-half acre in area, on the following payment basis:

Balance Payable:	$14,000 over a repayment period not to exceed 30 years.
Rate of Interest:	3½% per annum against $ 4,000, 5% per annum against $10,000.

That section 12 of the Farm Credit Act as now amended provides that, at the request of the Corporation, the Minister of Finance may, with the approval of the Governor in Council, pay to the Corporation amounts not exceeding in the aggregate $40 million, and the money paid to the Corporation under this section constitutes the capital of the Corporation;

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 2nd February, 1967.

The Committee of the Privy Council have had before them a report dated 26th January, 1967, from the Minister of Transport, representing:

That by Order in Council P.C. 1965-1437, dated August 6th, 1965, the Canadian National Railway Company, as Managers and Operators of Canadian Government Railways, was authorized to enter into a lease with Island Trustees Limited for a term of sixty years covering 118,113 square feet of land, more or less, being at Mile 173.07 Newcastle Subdivision to Mile 0.11 Mont Joli Subdivision, Canadian Government Railways, Campbellton, New Brunswick, at a rental of $16,654 per annum for the first 30 years subject to review and determination for the remaining 30 years, plus 5% of the gross annual receipts exceeding $175,000 and 10% of receipts exceeding $225,000, and the leaseback by the Company to the Canadian National Railway Company for a period of thirty years with the option of renewal for a further period of 30 years, of 22,020 square feet of space at $3.30 per square foot and 4,300 square feet at $1.25 per square foot;

That the Canadian National Railways have now advised that Island Trustees were not able to fulfil their obligations under the proposed lease due to the existence of a tight money market which put them in the position of being unable to market a bond issue which was needed to finance the development;

That the lease authorized by the said Order in Council has not been entered into; and

That as a result of further negotiations, a revised agreement has been arrived at with Richard & B.A. Ryan Limited whereby the Ryan firm undertakes to develop the site on the station grounds in exactly the same fashion as Island Trustees had proposed and to lease back to the Railways its requirements for station and office accommodation.

.....2

The Committee, therefore, on the recommendation of the Minister of Transport, advise that Order in Council P.C. 1965-1437, dated August 6th, 1965, be revoked and that authority be granted to enter into a lease with Richard & B.A. Ryan Limited and a leaseback with the said Company, particulars of which are set out in the Schedule hereto.

The Committee of the Privy Council have had before them a report dated 26th January, 1967, from the Minister of Transport, representing:

That the Management of Canadian National Railways advise as follows:

Canadian Import Limited act as stevedores in Quebec Harbour handling all concentrates and coal for export and import. Their facility is inadequate for the present traffic and cannot handle the potential increase in traffic resulting from a vast extension programme of the Harbour initiated by the National Harbours Board. The said concern has rented space in the new section of the Harbour, sections 50-51-52, giving them sufficient space to construct adequate facilities including a proper railway siding layout; and

The Railways propose to undertake a joint cost project with the National Harbours Board whereby a crossover lettered M-N 317 feet long, main lead lettered O-R 3, 598 feet long and two sidings P-Q 2, 425 feet long and S-T 2, 160 feet long, all shown coloured red on Railway Plan No. 349 dated October 3, 1966, on record in the Department of Transport, will be constructed and owned by the Railways at an estimated cost to the Railways of $90,000. The National Harbours Board will provide a right-of-way and give a servitude to the Railways as outlined in yellow on said Plan No. 349 and supply necessary grading, filling and ditching for construction of the new trackage up to top of subgrade at an estimated cost of $75,000 to the National Harbours Board.

The Minister of Transport, has sanctioned the location of the trackage aforesaid as shown coloured red on said Railway Plan No. 349 dated October 3, 1966.

....2

The Committee, therefore, on the recommendation of the Minister of Transport, pursuant to section 22(1)(a) of the Canadian National Railways Act, advise that Your Excellency may be pleased to approve the construction, operation and maintenance by the Canadian National Railway Company of the railway spur to be constructed from point "M" to point "R" as designated on said Railway Plan No. 349.

CLERK OF THE PRIVY COUNCIL

Associated Sales Agency Ltd.,
Montreal, P.Q. $904.53 Tax $433.37 Penalty

The application of the sales tax to the manufacture and sale of draperies is complicated by the difficulty of determining, uniformly, the point of incidence and the proper taxable value, where interior decorators provide custom-made drapes from customer-owned material, where retailers of drapery material have drapes made "free" for their customers, where the drapes are made by numerous small contractors in their homes, on order from a "manufacturer". All of these considerations were involved in the determination of liability of Associated Sales Agency Ltd., and led to uncertainty as to whether the firm should operate under license or whether it would be in the better interest of the revenue that the firm merely continue to pay tax on its purchases of materials. Despite the protest of the firm that it was not a manufacturer, the Department decided to require him to obtain a license.

A retroactive adjustment of tax led to assessment of $1,204.53 which is subject to statutory penalty of $433.37. The licensee strenuously objects to the assessment and it is difficult to affirm that his protests would not be heard favourably by the courts should legal action be taken.

As an alternative, the firm has tendered $300.00 in full settlement of the account with an undertaking to submit to the Department's decision for the subsequent period. It is considered advisable to recommend approval.

Amsymco Plastics,
Toronto, Ontario. $116.42 Tax $91.80 Penalty

An assessment of $466.42 was established against this licensee. Mr. Symons is a jobber in varnishes, floor seals, coatings for asphalt surfaces and paints. Tax was paid on these items at the time of purchase. During the audit it was discovered that Mr. Symons had ordered paint ingredients for delivery to another plant to be processed for him, not realizing that by this action he was deemed a manufacturer for sales tax purposes, and liable for payment of tax based on the selling price. Since he was not able to recover the tax Mr. Symons sustained financial loss but remitted $350.00 and requests that this sum be accepted in full settlement. There remains outstanding tax of $116.42 and penalty of $91.80. In view of the circumstances, remission of these amounts is recommended.

Studio Twelve Art,
Thornhill, Ontario. $168.19 Tax $36.21 Penalty

For the period April 30, 1962 to March 31, 1965, this manufacturer has been assessed $168.19 sales tax, plus $36.21 interest penalty, representing tax not charged on design, layouts and rough sketches

...2

from which finished artwork was produced. The licensee has objected to the assessment on the grounds that he accounted for tax on finished artwork only, according to incorrect information given to him when he applied for a licence. An official ruling, clarifying this situation, was not obtained until August 6, 1965.

In view of the circumstances, it is recommended that remission be granted for tax of $168.19 and accrued interest penalty of $36.21.

Reliable Sewing Machine Co. Ltd.,
Toronto, Ontario. $974.06 Tax $380.83 Penalty

An assessment of $1,938.12 resulted from the fact that this licensee, operating under a wholesaler's license, accounted for tax on taxable sales of assembled sewing machines on the basis of taxable cost rather than sale price during the period June 14, 1963 to June 30, 1965. This company purchases completed sewing machines and attaches them to stands. For the purposes of the Excise Tax Act the company is classified as the manufacturer and should have been operating under a manufacturer's license rather than a wholesale license from the date of first issue. Unfortunately, this was not brought to their attention. This oversight is probably explained by the fact that prior to June 14, 1963, no liability for tax would have accrued under either license, since the company was selling commercial sewing machines under production machinery exemption. Payment of $964.06 has been received, and the company requests that this be accepted as payment in full. In the circumstances, it is recommended that remission of these amounts be granted.

PRIVY COUNCIL

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 9th February, 1967.

The Committee of the Privy Council have had before them a report dated 30th January, 1967, from the Minister of Veterans Affairs, representing:

That The Director, The Veterans' Land Act, owns property comprising two acres of land and a house located at St. Antoine des Laurentides in the Province of Quebec;

That the cost of the land to the Director has been calculated at $6000;

That the Director sold the land in October 1953 to Lucien Leveille, a qualified veteran, on terms consistent with section 10 of the Veterans' Land Act;

That the veteran died in March 1964;

That while he was unmarried, the veteran had made a will devising his entire estate to his mother;

That subsequent to his marriage, the veteran did not revoke or modify the will;

That the rights acquired by the veteran in this land have therefore devolved on Dame Aurore Maurice, his mother, pursuant to section 31 of the Veterans' Land Act and the laws of the Province of Quebec;

That Dame Aurore Maurice has formally surrendered all her rights in the land as beneficiary of the estate of the deceased veteran;

That her surrender of such rights is conditional on re-sale of the land to Dame Agathe Rochon, the widow who survives the veteran with seven minor children; and

.....2

That the Director requests authority to sell the land to the widow at a price of $1,235.21, which equals the debt remaining charged against the said land on 12 October, 1966.

The Committee, therefore, on the recommendation of the Minister of Veterans Affairs, pursuant to section 23 of the Veterans' Land Act, advise that Your Excellency may be pleased to approve sale of Lot 199-6, in the Parish of St. Jerome, Municipality of St. Antoine des Laurentides, County of Terrebonne and Province of Quebec, to Dame Agathe Rochon for $1,235.21, payable in monthly instalments, with interest calculated at 3 1/2 percent per annum from 12 October, 1966, during a maximum period of 13 years.

The Committee of the Privy Council have had before them a report dated 8th February, 1967, from the Minister of Transport, representing:

That the Department of Transport's building known as Hangar No. 4, has been encroaching for many years on an unopened road allowance which is officially designated as Ferry Road in the City of St. James, Province of Manitoba;

That to take care of the encroachment and at the same time to create an even Eastern boundary for the Winnipeg International Airport, the Department of Transport desired to acquire all of the unopened road allowance extending southerly to Ellice Avenue;

That, the City of St. James would only consider selling to the Department that part of the road allowance extending from the Southerly limit of the Canadian National right-of-way to the Southerly limit of Lot 13, Plan 6097 and further that the City has consented to the sale of this portion of the road allowance in consideration of the sum of $2800;

That, conveyance of the said part of the road allowance will satisfy the needs of the Department of Transport in that it will take care of the encroachment of the Hangar, its apron and access to it from the Airport;

That the City of St. James has stipulated that such conveyance be subject to the undermentioned conditions which are acceptable to the Department of Transport.

....2

The Committee, therefore, on the recommendation of the Minister of Transport, advise that authority be granted to acquire, by a good and valid title free from all encumbrances to be obtained through the Deputy Minister of Justice, from the City of St. James, Manitoba, in consideration of the payment of the sum of $2800, the land described as that part of Lot 17, Plan 6097, a 305.84 foot strip of the Ferry Road right-of-way located immediately north of the south boundary of Lot 13, Plan 6097, as shown outlined red on Department of Transport Plan dated November, 1966, subject to the following conditions:

the Department of Transport

The Committee of the Privy Council have had before them a report dated 17th February, 1967, from the Minister of Transport, representing:

That, the Department of Transport has a requirement for a site, and access thereto, for a Non-directional Beacon in connection with the operation of the Regina Airport, Regina, Saskatchewan;

That William M. Farley, owner of the lands, has agreed to the transfer of the site being a parcel of land 100 ft. by 150 ft., together with an easement for an access road, not exceeding 30 ft. in width, for the sum of $460, this amount considered very reasonable by the General Manager, Real Estate Branch; and

That, as a condition of the sale, the lands involved in both the site proper and the easement area are to be reconveyed to Mr. Farley at no cost, in the event they are no longer required by the Crown for public purposes and that the General Manager, Real Estate Branch considers the imposed condition satisfactory on basis of the fact that the cost of the land and access thereto is very reasonable.

The Committee, therefore, on the recommendation of the Minister of Transport, advise that authority be hereby granted for the payment of the sum of $460 to William M. Farley in exchange for a good title to that parcel having 100 ft. frontage by 150 feet in depth, together with an easement in perpetuity to to cover the right of way, the said land and easement being in the Southwest Quarter, Section 14, Township 17, Range 21, Province of Saskatchewan, satisfactory to and to be obtained through the Deputy Minister of Justice and reserving thereto, the aforesaid condition in favour of Mr. William M.
